Read the paragraph. Write a topic sentence that describes the paragraph.

Bullying is wrong because it hurts people physically and emotionally. If a bully pushes or hits someone, he or she is hurting someone physically. If the bully says mean things or spreads rumors about a person, he or she is hurting someone emotionally. Both types of bullying are very painful and can cause a victim to feel depressed and alone. It is often hard for victims to recover from a bully's unkind actions. If you are being bullied, you should tell a trusted adult so that he or she can help you.
